INTRODUCTION

1.1 Background

1.1.1 NH-31 is the gateway of the North Eastern States. So, suitable check gate is required for effective monitoring of the vehicles entering and going out from Assam and for collection of revenue and taxes. At present, the existing check gate at Chagolia (Baxirhat) is facing severe problems in keeping the Govt. Revenue in safe custody as there is no such accommodation for keeping the Govt. Revenue. The present 10.0m wide carriageway is inadequate to cater to the large numbers of trucks required to be parked at the Check Gate. The security aspects have also become crucial with the increase in the traffic volume and also with rise in extremist activities in the region.

The Govt. of Assam has therefore initiated the proposal for “Construction of Composite Type Checkgate with lay byes at Ch. 817.620km to Ch. 818.670km of NH-31 and Project Township Complex at Chagolia (Boxirhat) at Assam-West Bengal inter-state Border under Abhayapuri NH Division. The proposed Composite Check Gate with lay-eyes and township complex will definitely help the officers and staff in performing their duty with ease and comfort. Also, with the provision of accommodation of the employees at the proposed highly secured campus, they will be able to deliver their duties with mental peace. The proposed well equipped office set up would make it possible to keep the daily revenue collection safely.

The Authority has decided to carry out the bidding process for selection of a bidder to whom the Project may be awarded. Brief particulars of the Project are as follows:

Guidelines of the Department of Disinvestment

(Refer Clause 1.2.1)
No. 6/4/2001-DD-II
Government of India
Department of Disinvestment
Block 14, CGO Complex
New Delhi.

OFFICE MEMORANDUM
Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment.

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

(a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.

(b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.

(c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.

These guidelines may be modified or substituted by the Government from time to time.
(d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.

(e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.

(f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.

(g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
